The Outsiders

This summer's furniture and accessories are all about sculptural lines and seasonal lazing.

BY AMANDA ROSS

BIG COMFY COUCH

Looks can be deceiving: the **Charles Outdoor Series** by **B & B Italia** [1] is so gorgeous and relaxing, you'll be tempted to move it to your living room come fall. From \$7,400. bebitalia.it

CLEAR CHOICE

Forget Angry Birds. This mod feeder by **Eva Solo** [2] keeps your little feathered friends happily flocking to their cool modern digs. \$60. evasolo.com

CLOUD COVER

For a sleek departure from the usual picnic-table suspects, there's this all-white **Still dining set** by **Richard Frinier for Brown Jordan** [3]. From \$1,222. brownjordan.com

HANGOUT

Summertime and the livin' is easy on the **Dyning hammock** [4] from **Ikea**. \$49. ikea.ca

HOT SEAT

Taking its inspiration from the architecture of old Amish barns, the **Farmhouse chair** by **Bend** [5] offers a fun way to add a little colour to the patio set. \$500. bendseating.com

PILLOW TALK

Restoration Hardware's new collaboration with high-end fabric house **Perennials**—like this **Côte d'Azur Poppy** [6] in linen—makes their textiles available to the public for the first time. From \$73. restorationhardware.com See SOURCES
